BESPOKE SHAPES & SIZES

We also offer a bespoke made to order service were any one of our Leading Edge range is available up to 3650mm long and up to 1200mm wide.

BESPOKE WORKTOPS

We also offer a bespoke made to order service where any one of our Leading Edge range is available up to 3650mm long and up to 1200mm wide.

Worktops can be finished to any size within these dimensions and also curved on one or more corners - to your specification.

The use of PU glue on all edges is peace of mind and ensures maximum protection from water spills and any possible moisture ingress.

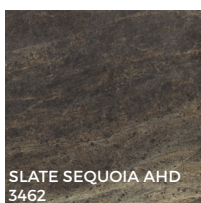

CREATIVE TOPS

Having the ability to offer bespoke customised worktops allows the customer create what they truly want

The only limit is your imagination!
